

Check us out at Community Day - Sunday, August 13th

Look for the 2023 Comprehensive Land Use Plan Update Tent! The Steering Committee will have a tent at Community Day to share the comments and visions collected from the highly attended public meeting held on May 31st. We encourage residents to stop by to see the progress of the project and participate in a quick survey.

Not able to stop by the tent? Take the quick survey here:
