

Richfield Village Rules Subcommittee

Minutes July 7, 2023

Call to Order:

Roll Call: Harold Scobie, Bill Taylor, Pat Healey

Approval of Minutes:

June 19, 2023, Motion Bill Taylor, Second Harold Scobie, approved Unanimously

Unfinished Business:

1. We discussed the word “Garden” and what it means and do we need it. We also talked about headstones with borders on all sides or two sides or one side and if we think any of these should continue.
2. We talked about whether we should have headings on an excel spreadsheet to best review various town’s pricing for burial spaces and burial costs. We also think it would work if each board member contacted three communities each to gather what they do.
3. We talked for a short time on the Woodvale rules and information under 945.04 (h) regarding if annuals will be permitted on the side of the burial (East side) or the non-burial side (West side).
4. I will contact Scott Waldemarson to ask for him to get with Scott Keserich to gather what charges the Village has ancillary to a purchase for; (a.) Niches in the bottom row of the old mausoleum, (b.) a full grave, or (c.) a full casket into the old mausoleum.

New Business:

1. Compare flush headstone meaning and if it is installed below ground and is there a base, also?

Adjourned
