

A RESOLUTION ACCEPTING THE BID OF ALLTEL COMMUNICATIONS FOR COMMUNICATIONS EQUIPMENT AND TRAINING FOR THE SAFETY BUILDING AND ADMINISTRATION BUILDING AND DECLARING AN EMERGENCY

WHEREAS, a bid has been received from Alltel Communications for furnishing, installing, testing, training and a warranty for communications equipment for the new Safety Building, a copy of which bid is attached hereto as Exhibit A and incorporated herein fully as if by reference; and

WHEREAS, the foregoing constitutes a professional service.

NOW THEREFORE, BE IT RESOLVED by the Council of the Village of Richfield, Summit County, State of Ohio:

SECTION 1. That the bid of Alltel for furnishing, installing, testing, training and warranty for communications equipment for the new Safety Building and Administration Building be and the same hereby is accepted in an amount not to exceed \$72,000.00.

SECTION 2. That there is hereby appropriated from the Safety Building Construction Fund the sum of \$72,000.00.

SECTION 3. This Resolution is hereby declared to be an emergency measure necessary to provide communication equipment for the Safety Building and the Administration Building at the earliest possible time; wherefore, provided this Resolution receives the affirmative vote of two-thirds of the members of Council elected or appointed, it shall take effect immediately upon its passage and execution by the Mayor; otherwise, it shall take effect and be in force from and after the earliest period allowed by law.

PASSED: June 19, 2001

ALLTEL CAN OFFER YOU THE EQUIPMENT THROUGH EITHER A DIRECT PURCHASE OR RENTAL OPTION

DIRECT PURCHASE OPTION

The Direct Purchase option includes all installation and a one year maintenance warranty for both parts and labor. Training (optional) can be included to allow the full benefits of your new system. The Direct Purchase price is as follows:

Direct Purchase Price: \$37,825.00

Sales Tax: ~~\$2,269.50~~

25% Downpayment: \$9,456.25

75% Upon Completion: \$28,368.75

You can also elect to purchase an extended Maintenance warranty which is offered at a reduced cost. This option will allow you to purchase additional years of Maintenance based on today's costs. You can select up to four additional years at the following costs:

Additional Years Maintenance

One Year: \$2,297.90

Two Years: \$4,353.92

Three Years: \$6,168.06

Four Years: \$7,740.31

RENTAL OPTION

ALLTEL's Rental option allows you to meet your communications requirements without the need for a large capital investment. The only investment required under a rental agreement would be the one-time installation costs. The equipment can be obtained through a monthly rental rate that would include maintenance for the term of the contract. Training (optional) can be included to realize the full benefits of your new system. The Rental option price is as follows:

One-Time Installation Cost: \$4,048

Monthly Rental Rate (Maintenance Included)

Number of Months: 60

Rental Rate: \$915.09

Plus Applicable Taxes

NOTE: Charges for Installation or Retermination of local trunks may also be applicable for both the Direct Purchase and Rental options. Wiring not included unless specified in the Equipment Detail above.

Village of Richfield
6-15-2000

INTERNAL WIRING

I. POLICE STATION

1. Install (58) data drops with category #5 four pair plenum wire.
2. All data drops to be terminated on category #5 patch panels on a floor mounted 19"x7" rack with the necessary cable management.
3. Install (52) voice drops with category#3 four pair plenum wire. These cables will be terminated on 66M150 blocks and RJ11C at the users end.

Material and Labor.....\$11,406.25

II. FIRE STATION

1. Install (18) data stations with category #5 four pair plenum wire.
2. Install (23) voice stations with category#3 four pair plenum wire.
(Everything wired just like the Police Station)

Material and Labor.....\$4,700.00

III. DISTRIBUTION CABLES

1. Install (1) 100 pair riser rated cable from the MDF in the police station to the MDF in the fire station utilizing the customer provided 4" conduit. This cable is approximately 300' in length per the blue print received. This cable will be terminated on 66M150blocks on both ends.

Material and Labor.....\$1,875.00

IV. FIBER OPTIC FOR DATA

1. Install a six strand multi mode fiber optic cable from the MDF of the police station to the MDF of the fire station. This cable will be terminated and tested on both ends, and installed in a 1" interduct via customer provided conduit between the buildings.

Material and Labor.....\$1,875.00

All category#5 wiring will be tested and certified to category#5 specifications with documentation.

INTERNAL WIRING (Additions)

I. Addition 1

1. Install (1) 25 pair cable from the Fire Station to the computer room and (1) 50 pair cable between these buildings.
2. Install one unknown type of cable for radio transmission. Both cables in items 1 & 2 are to be provided by the Village of Richfield.
3. These cables will be terminated by other contractors per discussion with Walt Gambert on 6-15-2000.

Labor only.....\$900.00

II. Addition 2

1. Install (1) 100 pair PVC distribution cable from the new Police Station MDF to the existing building for future use at the municipal building. This cable, approximately 200ft. in length, will be terminated at both ends on 66M150 blocks.

Material and Labor.....\$1,256.00

III. Addition 3

1. Install (6) additional voice/data station cables and (3) voice only station cables in the new Fire Station per discussion with Walt Gambert and the Fire Chief. Due to these changes, another 24-port patch panel will be installed at the MDF in the Fire Station.

Material and Labor.....\$1,569.00
