AGENDA

- Review bids for 2022 asphalt resurfacing-

Reviewed GPD's estimations for road repaving costs for the list of base roads and alternative roads. The committee decided to remove Revere Rd. from the bid list for 2022. The committee confirmed that we would like bids for all other roads from the base and alternative road lists using the regular re-asphalt method and the recycled asphalt resurfacing method. A motion was made by Mr. Waszack to move ahead with the bid process. This was seconded by Dr. Boester and it was passed unanimously. Legislation will be written and taken to council for approval to move forward with the asphalt re-paving bid process. [The base roads are: Gelding Ln., Creche Dr., Overdale Dr., Kinross Lakes Pkwy., Mill St. and the alternative roads are: Southern, Grant-north, Grant-south, Sorenson Dr., Buell Dr., Praire Vista Dr., Richlawn.]

- Discuss crack sealing program.

Scott Waldemarson confirmed that the crack sealing program will be completed by our service department in 2022, rather than contracting with an outside company as we have done in the past.
