- **If plot is not maintained we reserve the right to remove the renter from the garden.**
- If you must abandon your plot for any reason, notify Richfield Parks & Rec.
- Pick **only** your own crops unless given permission from another plot user.
- **If you have too much produce, you may donate it to the Farmers Market for sale to the community.**
- Gardener will be present when watering at all times.
- **Gardener WILL NOT BRING PETS INTO THE GARDENS!**
- Gardener will secure gate after entering and after leaving plots.
- Water is on the grounds and a hose is provided.
- There is a new water spigot for the lower garden.

In the 2019 season we had a many great gardeners who maintained their plots. We realize that weeds are inevitable but when they become a problem to the gardeners who take the time to maintain and control the weeds in their garden there is a problem. We are not asking for perfection but a little consideration would be nice.
