NOW, THEREFORE, BE IT ORDAINED by the Council of the Village of Richfield, Ohio:

SECTION 1. This Council approves the Petition and the Supplemental Plan now on file with the Board and the Finance Director. Under the Creation Resolution, Plan, and the Articles of Incorporation, the Project Site is added to the territory of the District. The Mayor, or the Mayor's designee, is hereby appointed to serve on the Board of Directors of the District as provided in Ohio Revised Code Section 1710.04(A).

- SECTION 2. This Council approves and consents to (i) any addition of real property to the territory of the District within the boundaries of any municipal corporation or any city which is contiguous to the municipal corporations or cities in which a portion of the territory the District is located; (ii) the addition of the municipal corporation or city in which such real property is located as a “participating political subdivision,” as defined in Ohio Revised Code Section 1710.01(E), of the District; and (iii) any amendment to the Articles of Incorporation necessary to recognize and effect such addition.
- SECTION 3. Each capitalized term used in this Ordinance where the rules of grammar would otherwise not require and not otherwise defined in this Ordinance or by reference to another document shall have the meaning assigned to it in the Petition.
- SECTION 4. This Council declares necessary, and a vital and essential public purpose of the Village, to improve the Property by providing for the acquisition, construction, and improvement of the Project by the Owner, as set forth in the Petition, and providing for the payment of the costs of the project, including any and all architectural, engineering, legal, insurance, consulting, energy auditing, planning, acquisition, installation, construction, surveying, testing, and inspection costs; the amount of any damages resulting from the Project and the interest on such damages; the costs incurred in connection with the preparation, levy and collection of the special assessments; the cost of purchasing and otherwise acquiring any real estate or interests in real estate; expenses of legal services; costs of labor and material; and other financing costs incurred in connection with the issuance, sale, and servicing of securities, nonprofit corporate obligations, or other obligations issued to provide a loan to the Owner or otherwise to pay costs of the Project in anticipation of the receipt of the Special Assessments, capitalized interest on, and financing reserve funds for, such securities, nonprofit corporate obligations, or other obligations so issued, including any credit enhancement fees, trustee fees, and District administrative fees and expenses; together with all other necessary expenditures, all as more fully described in the Petition and profiles, specifications, and estimates of cost of the Project, all of which are on file with the Finance Director and open to the inspection of all persons interested.
- SECTION 5. This Council determines that the Project’s elements are so situated in relation to each other that in order to complete the acquisition and improvement of the Project’s elements in the most practical and economical manner, they should be acquired and improved at the same time, with the same kind of materials, and in the same manner; and that the Project’s elements shall be treated as a single improvement, pursuant to Ohio Revised Code Section 727.09, and the Project’s elements shall be treated as a joint improvement to be undertaken cooperatively by the Village and the District pursuant to Ohio Revised Code Section 9.482 and Ohio Revised Code Chapter 1710.

- SECTION 6. The plans and specifications and total cost of the Project now on file in the office of the Finance Director are approved, subject to changes as permitted by Ohio Revised Code Chapter 727. The Project shall be made in accordance with the plans, specifications, profiles, and estimates for the Project.
- SECTION 7. This Council hereby determines and declares that the Project is an essential and vital public, governmental purpose of the Village as a Special Energy Improvement Project, as defined in Ohio Revised Code Section 1710.01(I); and that in order to fulfill that essential and vital public purpose of the Village, it is necessary and proper to provide, in cooperation with the District, for the acquisition, construction, and improvement of the Project in the manner contemplated by the Petition. This Council determines and declares that the Project is conducive to the public peace, health, safety, and welfare of the Village and the inhabitants of the Village.
- SECTION 8. That this Council declares that its intention is to proceed with the acquisition, construction, and improvement of the Project described in the Petition and the Plan. The Project shall be made in accordance with the provisions of the Plan.
- SECTION 9. Pursuant to, and subject to, the provisions of a valid Petition signed by the owners of 100% of the Property, the entire cost of the Project shall be paid by the Special Assessments levied against the Property, which is the benefited property. The provisions of the Petition are ratified, adopted, approved and incorporated into this Ordinance as if set forth in full in this Ordinance. The method of levying the Special Assessments shall be in proportion to the benefits received, allocated among the parcels constituting the Property as set forth in the Petition.
- SECTION 10. The lots or parcels of land to be assessed for the Project shall be the Property, described in Exhibit "A" to the Petition, all of which lots and lands are determined to be specially benefited by the Project.
- SECTION 11. THE Special Assessments shall be levied and paid in one annual installment pursuant to the list of estimated Special Assessments set forth in the Petition, and the Owner has waived its option to pay the Special Assessment in cash within 30 days after the passage of this Ordinance. The period over which the services and improvements provided pursuant to the Plan are useful is determined to exceed one year.

The aggregate amount of Special Assessments estimated to be necessary to pay the costs of the Project is \$720.00. Each annual Special Assessment payment represents payment of a portion of the principal of and interest on obligations issued to pay the costs of the Project and of administrative expenses. The interest portion of the Special Assessments, together with amounts used to pay administrative expenses, are determined to be substantially equivalent to the fair market rate or rates of interest that would have been borne by securities issued in anticipation of the collection of the Special Assessments if such securities had been issued by

the Village. In addition to the Special Assessments, the Summit County Fiscal Officer (the "County Fiscal Officer") may impose a special assessment collection fee with respect to each annual payment, which amount will be added to the Special Assessments by the County Fiscal Officer.

The Special Assessments are assessed against the Property commencing in tax year 2019 for collection in 2020. The semi-annual installments of the Special Assessments shall be collected in each calendar year equal to the maximum semi-annual amounts of Special Assessments as shown in Exhibit A, attached to and incorporated into this Ordinance.

The Special Assessments shall be allocated among the parcels constituting the Property as set forth in the Project Petition and the List of Special Assessments attached to and incorporated into this Ordinance as Exhibit A.

SECTION 12. That the Finance Director or any designee is authorized, pursuant to Ohio Revised Code Section 727.12, to cause the Special Assessments to be levied and collected at the earliest possible time including, if applicable, prior to the completion of the acquisition and construction of the Project.

SECTION 13. The Finance Director or any designee is authorized, pursuant to Ohio Revised Code Section 727.12, to cause the Special Assessments to be levied and collected at the earliest possible time including, if applicable, prior to the completion of the acquisition and construction of the Project. Pursuant to the Petition, the Owner has waived notice of the adoption of this Ordinance and the filing of the estimated Special Assessments, as provided in Ohio Revised Code Section 727.13, and the Village hereby accepts that waiver. The Owner has waived its right to pay the Special Assessments in cash within 30 days after the passage of this Ordinance, and all Special Assessments and installments of the Special Assessments shall be certified by the County Fiscal Officer as provided by the Petition and Ohio Revised Code Section 727.33 to be placed by him or her on the tax list and duplicate and collected with and in the same manner as real property taxes are collected and as set forth in the Petition. The Finance Director shall keep the Special Assessments on file in the office of the Finance Director.

SECTION 14. That this Council finds and determines that the Special Assessments are in proportion to the special benefits received by the Property as set forth in the Project Petition and are not in excess of any applicable statutory limitation.

SECTION 15. The Special Assessments will be used by the Village to provide the Project in cooperation with the District in any manner, including assigning the Special Assessments actually received by the Village to the District or to another party the Village deems appropriate, and the Special Assessments are appropriated for such purposes.

SECTION 16. This Council accepts and approves the waiver of all further notices, hearings, claims for damages, rights to appeal and other rights of property owners under the law, including but not limited to those specified in the Ohio Constitution, Ohio Revised Code Chapter 727 and Ohio Revised Code Chapter 1710 and consents to the immediate imposition of the Special Assessments upon the Property. SECTION 17. That this Council hereby approves the Loan Agreement, a copy of which is on file in the office of the Clerk of Council. The Mayor shall sign and deliver, in the name and on behalf of the Village, the Loan Agreement, in substantially the form as is now on file with the Clerk of Council.
