

November 6, 2020

[insert label here]

Dear Property Owner,

As previously announced, the Mayor and Village Council have begun several initiatives associated with the extension of public water to the center of town. Related to this, draft plans to extend the water line are prepared and the project is on-track to begin during the first quarter of 2021. Because the project is moving quickly, the Mayor and Village Council have asked officials from the Cleveland Water Department to lead an online virtual public forum. Details about the public forum are noted below:

- PURPOSE:** To provide property owners with information about the water line extension project to the center of town
- WHEN:** Wednesday, November 18th, 2020 at 6:30 P.M.
- WHERE:** Online (via Zoom)

All properties that will benefit from the waterline extension project are invited to attend this virtual meeting. The presentation will provide information about the project schedule, approximate connection costs and the incentives associated with connecting early, and the application process to connect.

The virtual meeting will be conducted via Zoom with the login/dial-in information included on the reverse of this letter. The virtual meeting details are also posted on the main page of the Village website at <http://www.richfieldvillageohio.org>.

The recording of the meeting and presentation materials will be posted on the Village website no later than November 23, 2020. Questions regarding the meeting can be directed to me at (330) 659-9201x6 or by email at bfrantz@richfieldvillageohio.org.

We look forward to your participation.

Sincerely,

Brian M. Frantz, AICP
Director of Planning, Zoning &
Economic Development

Village of Richfield is inviting you to a scheduled Zoom meeting.

Topic: Cleveland Water - Public Forum Presentation

Time: Wednesday, November 18th, 2020 @ 6:30 PM Eastern Time
