X Driving home from work at FedEx in Richfield, heading westbound on 303. After turning onto 303 from Brecksville Rd, I had opened a Granola bar to eat on the way. Approaching 176 I went to set the plastic wrapper down after eating only to look up and see the semi trailer right in my POV ~~thru~~ through my driver side window. After it happened my first thought was, "did I run a red-light?" Only had to question it because I've never done that before. It all happened so quick, Thankfully myself and the other individual are ok from my knowledge.
